This Week in 1K...

This week class 1K have been creating and practising our letter maps in preparation for writing a letter.

In maths we have started multiplication and looking at and adding equal groups.

This week in PSHE we have been completing a range of activities which have included looking at 'challenge' and writing about when we have faced a challenge and how we have overcome it!

We have also been learning about staying safe through making safety posters. As well as this we have discussed what it means to be polite and have been using these words towards others.

Gospel Assembly

On Monday, year 5 performed their second gospel assembly for family and friends. The children performed popular songs such as, 'Man in the Mirror', 'Dancing in the Streets' and 'This is me' as well as more traditional songs such as 'Steal Away' and 'The Amen Medley'. The children performed with great enthusiasm and they sounded brilliant! Many of the children were brave enough to have solos and performed these confidently. It was lovely to see the progress they've made since Christmas and we most certainly have a lot of talent in year 5!

Snacks

Please ensure that if you are sending a snack in with your child for break time, that it is a healthier option. Please do not send in any sweets or chocolate. We are also a nut free school.

Attendance

Children from 5J creating freeze frames of different parts of the Trojan War story this week.

Congratulations to 6P who were the highest attending class last week with 96.9%.

The overall attendance was 93% which is below the national average.
