

**FRIDAY 6TH
SEPTEMBER**

Alderman Bolton Newsletter

Welcome Back!

We all hope you have had a lovely summer with your families. Thank you for your support with our uniform policy, your children look incredibly smart and it is clear to see how proud they are of their uniforms and their new shoes!

After feedback from parents last year, we will be trying hard to improve our communication with you. We will be using the same systems we have used last year such as text messages, Twitter, face book and our newsletter and we will try to make sure we give you plenty of notice when special events are taking place such as assemblies, trips, visitors and special themed weeks.

We are looking forward to another successful year and to working with you and your families to ensure the best outcomes for your children.

Best wishes

Mrs Warding, Headteacher

Building Update

All of the work on the ceilings has been completed during the summer holidays so all classes are now back to normal, many with lovely freshly decorated rooms too!

We have been lucky enough to secure a bid to fund a brand new school roof! The work on the roof is due to start in October and will take approximately 20 weeks to complete. We have met with the contractors to discuss how we can work together to try and ensure there is as little disruption as possible to the day to day running of the school. There will be scaffolding around the building, but only in the places they will be working on at that time. We will keep you fully updated with the progress of the work and we are looking forward to a brand new roof and no more leaks!

Congratulations!

Congratulations to Mrs Morris!

Baby Arlo was born on 8th August, mum and baby are doing well.

Congratulations to Mrs Anderson!

Baby Theo was born on 28th August, mum and baby are doing well.

We are all looking forward to meeting the new arrivals soon!

Robinwood

Robinwood has been a fantastic experience so far. The children have made us all so proud! Each and every child has pushed themselves out of their comfort zone and made amazing results. The Year 6s are split into two groups: Forest Group and Wood Group. Both groups have been busy, non-stop, only stopping to eat or sleep. Between the groups they have completed the challenging climbing wall, close quarter caves, high ropes challenge course (It's REALLY scary) and the infamous piranha pool (Yeah, you read that right, Piranhas!). The children have also been learning about the various safety equipment used during the activities and also some local history (about ghosts).

And then there's the food. Wow! The food! It comes in huge quantities and is absolutely delicious. The children need lot of calories for the activities during the day as they use up every last bit of energy.

The staff at Robinwood are incredible. They are kind, caring and experts in what they do! The children have learned so much during each activity and the instructors encouraged everyone to try and complete each activity. The staff have commented on several occasions on how amazing the Year 6 children are by encouraging others in the groups, working great in teams and being polite and respectful to everyone they meet in Robinwood.

Don't forget to check out the school's Twitter: @ABCPSchool for up to date pictures of our trip.

Mr Parr, Mrs Rylance, Miss Rothwell and Mrs Egan

Dates for your diary:
