

FRIDAY 13TH
SEPTEMBER

Alderman Bolton Newsletter

This week in 3J...

This week in 3J, we discovered a red door in our classroom and lots of red pencils scattered around our room. We still have no idea how they got there or where that door leads. If you have any ideas, please let us know!

In maths, we have been learning about place value in numbers up to 1000, we have learnt lots of new methods and are showing off our methods in our journals!

We started our history topic, 'The Indus Valley', did you know they lived nearly 5000 years ago? That's a long time ago!

Animals including humans is our science topic and we have already started learning about the 7 nutrients that keep us healthy.

During our computing lessons, we have discussed E-Safety. We talked about what E-Safety means and some of the dangers of using online, we then came up with rules to help us keep safe while using the internet!

Phew, what a busy week!

Harvest Festival

You are invited to join us for our Harvest Festival on Wednesday 9th October. Reception and KS1 Harvest festival will be at 9.15 and the KS2 Harvest festival will be at 2.30, we hope you can join us. Donations of tins or packets of food are welcome and will be displayed as part of our assembly.

ShowKids

On Tuesday, years 3-6 were visited by 3 tutors from ShowKids. They delivered workshops focusing on key skills you need to be a performer all through lots of fun and games!

'I liked when we played the game splat', Sami O, 3J.

'It was very fun and I thought the people were fun too!', Ali, 4W.

If your child is interested in joining Showkids, pop along to their welcome day on Sunday 15th September, 11am-1pm at their studio opposite Warrington Museum on Museum Street or visit their Facebook page 'SHOWKids UK'.

Lunch Boxes

Thank you for your support with providing healthy packed lunches for your child.

A few parents have asked what might be suitable or not suitable. We ask that there are no fizzy drinks, chocolate bars or sweets included in lunch boxes.

Check out the change 4 life link for ideas on healthy lunch boxes.
