This week in 1/2A

This week Class 1/2A have been learning about healthy bodies and minds. We loved our relaxing afternoon of Yoga and mindfulness activities. We showed that we know how to eat healthily by designing our own 'Eatwell Plates' which showed a range of foods that fall under the categories of protein, carbohydrate, fat, sugar, fibre and dairy. Some children volunteered to use a 'disclosure tablet' after brushing their teeth to show how much plaque was still left, and we were shocked by the results! We know how important it is to brush our teeth for at least two minutes morning and night. We had a mini 'Sports day' afternoon where we took part in different activities to get our hearts racing! Class 1/2A knows that a healthy body helps us to have a healthy mind!

A message from the governors

Dear Parents and Carers,

One of our main areas for consideration at our summer term Governing Body Meetings has been articulating the aims and vision for our school. This has been agreed as:-
Vision Statement

As a member of Warrington Primary Academy Trust we fully endorse the vision and aims of the Trust. The children at Alderman Bolton are at the heart of all that we do.

Our aims are to provide a:-

- high quality, progressive education that enables every child to achieve, experience success, develop lifelong skills and raise their aspirations for the future,
- full range of opportunities that stimulate and engage children enabling them to grow and develop intellectually, physically, emotionally and socially,
- safe and healthy learning environment where everyone feels respected and valued, where high expectations and a positive atmosphere predominate and where a consistency of approach is understood and recognised.

We also aim to embrace and celebrate diversity developing a sense of community within our school family and beyond.

We have been asking for help from the School Council who are currently thinking about the words 'Achieve, Belong Create,' which currently form our strap line. They are considering whether or not to change these and will be voting on their own ideas within the next few weeks. We would then like you to comment on them too.

Governors have also been thinking carefully about the future of the school as, along with many others, we face the increasing demands of a more restricted budget. We have agreed on next year's budget and completed our School's Financial Value Standard, and are now busy planning for the year ahead. Outcomes from our recent audit of our Governing Body skill mean that we are looking to recruit another Governor who is knowledgeable in the field of HR, Finance or Health and Safety.
