

Alderman Bolton Newsletter

This week in 5/6RM

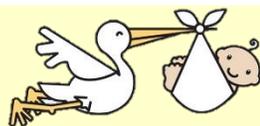

This half term, the children are reading an outstanding text called 'Henry's Freedom Box.' This is based on a true story about a runaway slave. In order for the children to relate to the theme of the text, we all went to the Slavery museum in Liverpool. The children behaved exceptionally well and were a credit to Alderman Bolton School. Since the trip, the children have produced some excellent pieces of writing and they are intrigued to find out more!

In maths, we have been revisiting topics such as area, perimeter and volume. The children have also been working on complex word problems and using different methods to solve them.

In DT, the children have been designing bridges that have to hold the weight of four cans of beans! Every child managed to make a successful bridge! Well done Y5/6 RM!

In Science, we have been looking at life cycles - this week's homework is to make our own life cycle using family pictures! We can't wait to see them!

Congratulations to Mrs Anderson and Mrs Morris who are both expecting babies this summer. Both will be in work until the end of this term.

Mrs Anderson's maternity will be covered by Miss Duncalf who will be in school over the next few weeks meeting the children and then parents at our 'Meet The Teacher meeting' (more details to follow soon).

Mrs Warding will be returning to her role as Headteacher from her maternity leave before Mrs Morris finishes.

We wish them all the best and look forward to meeting the new additions to their families.

As many of you will be aware school have now installed a 'fob' system on the all the external doors in school.

This is to ensure our security of the building and the safety of the pupils and staff is efficient. I'd like to thank you for your patience and cooperation during this transition period onto the new system.

Mrs Morris

TEA & COFFEE MORNING

Meet new people & have a chat and a brew

Every Thursday

@ Alderman Bolton Primary School,
Drop in between 9 - 10.30am

Longdin Street, Latchford, WA4 1PW

FREE Drinks
& Toast

FREE & everyone welcome!

Due to the success of our recent tea and coffee morning we have now managed to secure a larger space at the child development centre next door! With a larger room we are now able to accommodate more people at our drop in.

ParentPay

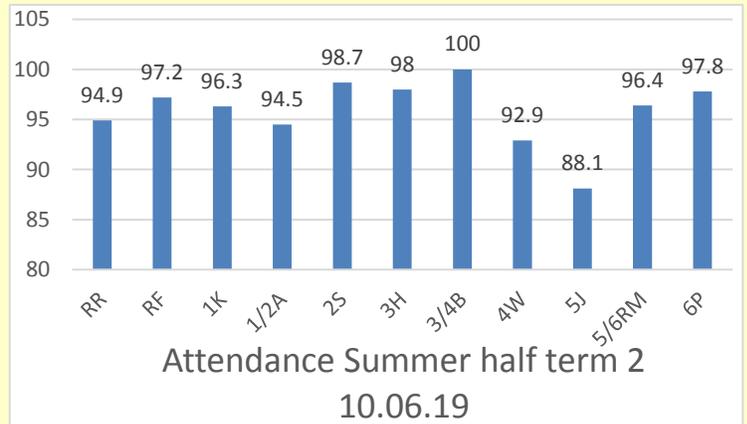

Can you please ensure that you keep checking your balance on ParentPay and top up for Dinner / Snack as soon as it becomes zero. If you have a debit balance your son/daughter will have to bring in their own snack or packed lunch until a credit balance has been put on your account.

Play Equipment

A quick reminder to parents – children are not permitted on the play equipment outside of school hours. Children must be supervised by parents when on school premises.

Attendance

Congratulations to 3/4B who were the highest attending class in the last week before half term. They got 100% attendance!

The overall attendance was 96% which is above the national average.
