## Change to holiday dates 2020/2021...

Please note that we have had to amend our summer half term holiday dates for the academic year 2020/2021. This is to fall in line with the Department of Education assessment dates.

The original holiday was due to commence on 31<sup>st</sup> May – 10<sup>th</sup> June 2021. This has now changed and will commence on 24<sup>th</sup> May – 4<sup>th</sup> June 2021.

Sorry for any inconvenience.

## This Week in 3J...

3J have been doing lots this week! In English, 3J have been introduced to their book 'Starbird', a book with a moral! We have been writing descriptions of the Starbird as well as learning new words and phrases!

Maths has been tricky this week but we have all persevered! We have been learning to multiply 2 digit numbers with and without regrouping! We are all working hard on our times tables to get our bronze certificates.

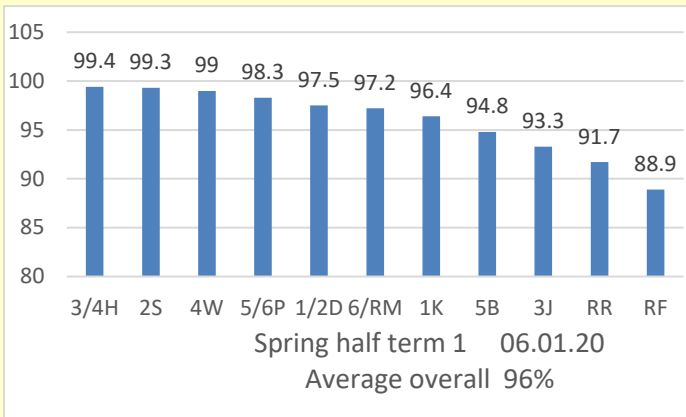

We started the week with DT, we described how our mechanism worked using our new vocabulary.

In Science, 3J started their new topic, 'rocks'. So far we have found out the difference between the 3 types of rock: Igneous, Metamorphic and Sedimentary.

And finally, we've been very excited completing a double page spread in our books all about world rivers, they look fantastic!

# Attendance

**Congratulations to 3/4H who were the highest attending class last week with 99.4% attendance! The overall attendance was 96% which is above the national average.**

# ParentPay

Can you please ensure that you keep checking your balance on ParentPay and top up for dinner / snack as soon as it becomes zero. If you have a debit balance your son/daughter will have to bring in their own snack or packed lunch until a credit balance has been put on the account.
