Delamere

On Monday, Year 2 went on an overnight residential to stay at Fox Howl in Delamere. When we arrived we spent some time exploring the centre and playing on the adventure playground. Some of us found mini beasts and used magnifying glasses to have a closer look. Later on, we went into the forest! We spent the afternoon den building, creating tree art, scavenger hunting and getting extremely muddy! That evening, we enjoyed hot chocolates, marshmallows and biscuits before heading to bed after a busy day,

On Tuesday, we woke up and got ourselves ready for another fun filled day. We went for a 2 mile round trip hunting for the Gruffalo! We were very excited to find one hiding in the forest. After our walk, we enjoyed some lunch and then had one last play before we headed home.

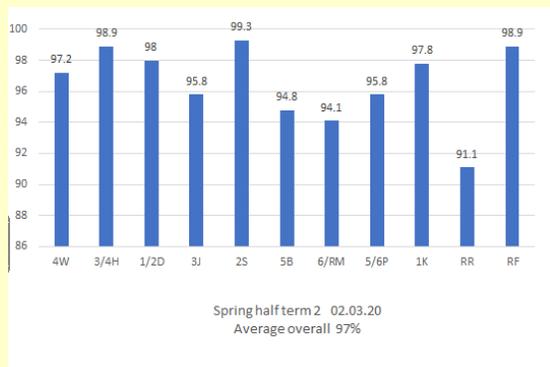

We had a brilliant two days and lots of us had a snooze on the way home!

Goodbye

Congratulations to Mrs Dalton who has secured a promotion and is leaving us to start her new role this week. We have appointed a new business manager, Mrs Susan Dykes who will start on Monday 16th March.

Red Nose Day

Thank you to everyone who has brought a donation in today and worn something red for Red Nose Day. The children have completed various activities in class related to the charity.

Congratulations to 2S who were the highest attending class last week with 99.3% attendance! The overall attendance was 97% which is above the national average.

Confidence academy

This week 3J and 3/4H have taken part in a range of activities with Chris, from confidence academy. The aim of the session is to help children raise their self-esteem and self-esteem. The children thoroughly enjoyed the session and looking forward to Chris coming in again.

This week in RR...

Exciting things have been happening in Class RR this week. Firstly an alien spaceship crashed in our role play area and we found a little yellow alien amongst the wreckage who we believe to be Beegu as she looks exactly like the alien in our literacy story this week. Also Mr Noble caught sight of another pink alien dancing on the table in our classroom. We think that maybe Beegu was 'alien napped' by this alien. The rocket that crashed is beyond repair so we have been building a new space rocket for Beegu and trying to make her feel welcome in our class.

We have also been learning about the different planets in our Solar System to see if we can work out where the alien came from.

Cardiologist

This week, we have had a cardiologist in school who has been working in 4W. The children have learned how to stay healthy and how to look after their heart.

Reminder for parents

A reminder for parents of our expectations regarding PE in school. All children must bring the correct PE kit for PE lessons throughout the week.

A PE kit consists of:

a white t shirt,

Maroon/burgundy shorts

Black pumps for indoor use. (Trainers may be worn for OUTDOOR use only - usually the summer term)

For some PE sessions, it is deemed unsafe for children to participate in their uniform.

Lost or missing PE kits must be replaced as soon as possible.

Monday	KS2 STEM
Monday	KS2 Gardening
Tuesday	KS2 Basketball
Tuesday	KS2 Keep Active & Maypole
Tuesday	KS1 Vocabulary Rock Stars
Tuesday	KS1 Phonics
Wednesday	KS1 Multi Skills
Thursday	KS2 Multi Skills
Thursday	Rec & KS1 Yoga
Thursday	KS2 ABPerformers

Coronavirus update

Please see below the link with the latest update regarding managing coronavirus in school.

Please be assured that school is focusing on promoting good hygiene and cleanness. School is operating normally and will take advice from public health if any changes are to be made.

Updates around the coronavirus are now coming through daily and school will update parents once there has been any significant changes made that you will need to be made aware of.
