## Drop off and pick up

Thank you very much for your patience this week with dropping off and picking up. We understand this has been quite frustrating but hopefully it will ease off once everyone knows which entrance they should be at. Please ensure you are at school at the correct time in order to minimize any crosses between bubbles.

## This week in 6P

6P have settled into school really well. They have been working really hard this last week and created some excellent pieces of writing.

This is an example of the super writing 6P have been completing this week. This was written by Casey Sherlock. Well done Casey!
